

Program Chairperson and Co-Chairperson

Greetings and welcome in the name of our Lord Jesus Christ. We welcome you to our Second Annual Christmas Concert, we would like to bless your hearts with a melody of music entitled "Celebrating Christmas the Gift of Love".

The Sardís District Sanctuary Choir's mission is to serve God and His people through a music ministry which provides quality, spiritually uplifting, and appropriate music for church activities as well as the community. This year's concert promises to do nothing less than fulfill this mission.

This Christmas season, we are celebrating in songs that the Gift continues to go on. The Gift that was presented to Mary many years ago goes on in our hearts and our mind. The Gift that the Wise Men traveled so far to see continues to heal the sick, answer out prayers, lift our burdens, give peace to our troubled minds, bring out families together and give us unspeakable joy.

Yes, this Gift will forever go on in our lives as we remember the true meaning of Christmas which is the birth of Christ, our Savior. We welcome you here this evening as we reiterate the story of Christmas. We welcome your to tell the story to all you meet throughout this holiday season and the entire year.

We welcome you in the spirit of Christmas which is love. We share our love with you as Christ has shared His love with each of us.
