

# In Memoriam of Dr. Jacob Hentz

**But by the grace of God I am what I am: and his grace which was bestowed upon me was not in vain; but I labored more abundantly than they all: yet not I, but the grace of God which was with me (1 Corinthians 15:10)**

The Sardis District Missionary Baptist Association Sunday School and NBC Congress has lost a great and God fearing man that has left a legacy of Love, Wisdom, Commitment and Leadership which will forever shine in our lives. **Dr. Jacob Hentz** was a man who served with dignity and humility so that God got the glory. He was a man who could sit with those in high authority and still be able to live among common people and he taught us through examples how to love God by showing love to his family and others. He was one among many who had great love for this association and worked hard for God's kingdom building. Through his life of dedication, he said, "Let the work I've done speak for me, may the life I live speak for me." We have lost a great soul and we shall forever carry memories in our hearts, as he spoke saying, "These are things we must learn as believers in Christ." We salute you, **Dr. Hentz** for a job well done.

And I heard a voice from heaven saying, write, "Blessed are the dead who die in the Lord from henceforth: yea saith the spirit that they may rest from their labor; and their works do follow them. (Revelation 14:13)
